

## Your automated client accounting engine

### Refreshing Client Accounting For Lettings

Utilising the latest finance technology LettsPay creates landlord separate accounts, with their own sort code and account number. The tenant is automatically notified to pay into this account. LettsPay auto allocates the funds and all you have to do is create and approve the payout.

LettsPay also manage payments to contractors, deposit accounts and HMRC for NRL tax.

Gain Control Over Rent Collections

Remove compliance headache

Automated accounting

### The long awaited solution to the client accounting puzzle

- Dedicated account per landlord
- Automated payment reconciliation
- Immediate landlord payments
- Funds held in the Bank of England
- Automatic landlord statements
- Tenant communication
- Arrears management
- Transparent pricing
