

**CONVEYANCING**

*for estate agents*

## Conveyancing worth recommending

**A better Conveyancing service for estate agents is possible, we've built it.**

- Your own experienced case handler
- With a low case load
- Who will call you back
- Our Move Progression app will give you updates from everyone in the chain 24/7

Faster and less stressful.  
Move with Rello.

# You and your clients deserve to know what's happening

- Use **Rello's Move Progression service** to see the full chain & get real time updates for where all buyers are at. Clearer communication means exchange dates can get locked in as soon as possible.
- **Sales will go faster** and there's less chance of falling through - because all solicitors, agents and brokers have the same information.
- Our users typically **save a day per week** chasing for updates from solicitors.
- Find out exactly what everyone is waiting for, so **problems can be fixed and delays avoided**.
- **Relax**, our dedicated team will be chasing information for you and your client.
