

# Working with ASAP means you can get a move on with selling properties

## A quicker completion? Safe as houses!

At ASAP we never stand still, and our 4 specialist services are here to keep you moving. Working with clients on your behalf, our proactive approach can reduce transaction times by up to 8 weeks and prevent the frustration of fall throughs.

### Complete ASAP

You focus on sales and we'll do the rest with our end-to-end Complete ASAP service. Our fully managed service means you can rely on us from the moment of listing until completion.

### Instruct ASAP

Our recommended solicitors are ahead of the game. Handpicked by us, they focus on getting your client legally ready to move whilst delivering excellent customer service.

### Progress ASAP

Speed up transactions without the fixed cost of in-house sales progressors. Designed to save time and aggravation, our service helps your clients navigate the legal process with minimum hassle.

### Comply ASAP

Manage your compliance with confidence. Our Comply ASAP pack contains an AML check, Land Registry document checks, and identity document uploads including facial recognition.

## Here are some fast facts to help you get a move on...

**20%**

Reduce your fall-through by up to 20%.

Compared to the industry average

"ASAP deliver a sales progression service that is far better than the average estate agent can manage themselves. With ASAP, transaction times from sale agreed to completion are up to 8 weeks faster than the industry average. In simple terms, agents get their fee much earlier with ASAP. They also reduce fall-through rates for their clients by up to 20%. This means that ASAP agents get paid on a lot more transactions."
