See what property managers and our partners are saying

Having everything in one place for our team has cut out the need for emails and phone calls. Plus we get report progress updates at each step. Highly recommended.

Steven Capnerhurst Barker – Green & Company

Klerky is so simple to use and we love the messenger feature to communicate with our inventory clerk. The fact it's free to use means it's a no brainer to get onboard with.

Angi Cooney – C Residential

Inventory check-ins, interim visits, and check-out inspections are crucial for reducing disputes between landlords and tenants. We welcome the launch of Klerky, which simplifies the process of finding trusted inventory clerks, booking and managing inspections nationwide, making life easier for agents and landlords.
