

Estate Agents

What can we offer you?

Live Call Reporting:

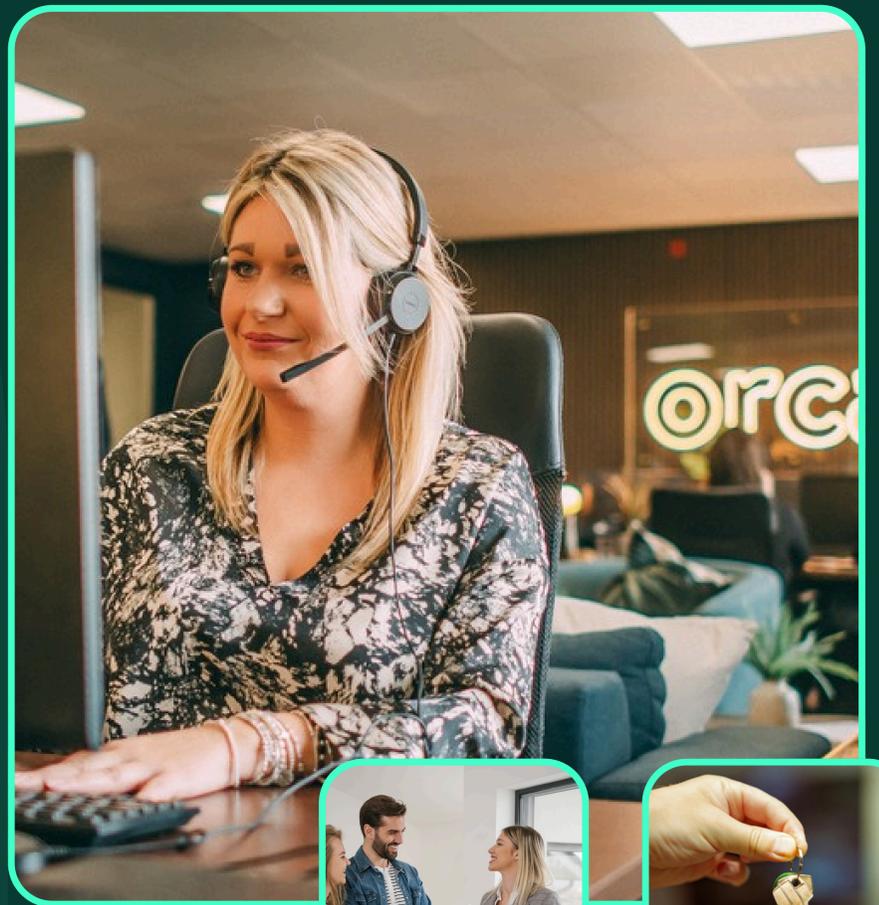

Real-time analytics and reporting tools to track performance.

System Integration:

Seamless CRM integration and API capabilities.

Personal Touch:

We assign your business a team of PAs, so there's always someone available to take your call.

Our Services

24/7 Call Answering

Round the clock call answering services from an assigned team of PAs answering calls if you're at a house viewing or just too busy.

Diary Management

Save the stress of keeping track of viewings with our diary management system.

Live Chat Management

Being there for your customers when they have quick message-based queries about properties or viewing hours.

Outbound Campaigns

Reach your customers through Orca's outbound campaigns.

Experience Orca for 7 days, no-strings attached.
