

5 key benefits of using **Sort Move**

Technology Sort Move is a free to use, and continually evolving, end-to-end solution offering innovative products and designed specifically for Estate Agents. Powered by award-winning technology, we are continuously looking at effective ways to reduce both the time it takes to conclude a sale and the rate that they collapse.

Speed Our mission is to keep agents and their clients moving by expediting the home buying experience and creating better assurances for all. From having integrated suppliers to provide 'real-time' electronic updates and tasks, to niche services like 'Sale Only' Conveyancing, we work smartly with our networks to deliver a proposition that is heavily influenced by its introducers.

Income We offer fair and transparent referral fees which are both in line with current industry guidelines and adaptable should they change.

Support Our dedicated team of Home Move Advisers are on hand to support you, as and when you need it. They have Estate Agency experience and love collaborating with our partners.

Sort Group Founded in 2009, our sibling brands include Sort Legal, our own CLC law firm, and Sort Refer which is our multi-award-winning platform for mortgage brokers. The synergy across all three helps to create a first-class service for our wide range of customers.

Keeping you moving.
