

The discerningly
different estate agency.

MR. *and* MRS.
Clarke.

Our story. Your future.

Paul and Alex founded Mr and Mrs Clarke in 2015 after feeling what many people feel when part of the property process – detached and undervalued.

Rather than this being a negative, it was seen as an opportunity – an opportunity to create a residential sales and lettings brokerage that recognised the value of customer service and incredible marketing when selling or letting a property.

Mr and Mrs Clarke are now a team of talented people, who are running their own businesses in their local area, supported by the In-House staff and The Belvoir Group PLC.

Welcome to the modern estate agency.

“We have created an award-winning brand and developed efficient systems for you to plug into and run a lucrative and enjoyable business.

Mr and Mrs Clarke is an estate agency brokerage like no other.

We are Discerningly Different.”

Here is an example of how the Mr and Mrs Clarke loan could work for you.

You receive £2,500 when you become a Franchisee. We work with you on how this can be spent to generate awareness and get leads. You can allocate some of this for the set up costs and the territory fee. You can also use this to pay yourself and ease the bump after leaving employment.

Say you list five homes in month one, you can take a loan of £2,500. You then list four homes in month two and you can take £2,000 as a loan.

The Listing Loan caps at £10,000 and it is available within the first 12 months only. The maximum monthly loan that can be taken is £2,500.

At 12 months the loans you have taken are rolled up and are repayable within the next 12 months.
